Dear Friends,

I hope this June newsletter finds you and yours in good health and spirits. St. Bart’s is alive and vibrant with good news. During the month of May, I spent intentional time with everyone on parish staff. In each, rooted deep within the “work” we are able to celebrate a joyful noise, of the spirit not only guiding the staff, but shedding to light on why God called each person to serve on our team at this time. I have been part of work teams for over 30 years of my life, and when teams begin to percolate the energy that our team is producing, I know I can anticipate great epiphanies and celebrations.

Parallel, the number of faithful folks stepping into ministry, leading ministry teams, and advancing us forward creates waves, one after another, raising up the beauty of fellowship realized in the Lord’s name. The combination of the blossoming of our staff and the leadership of our parish, creates a buzz – and buzz as the Holy Spirit weaves, unites and sends us forth. For any creative business people, it’s the moment before your organization is given its entrepreneurial identity.

And so, this newsletter is full of announcements, invitations and introductions to the Good News and Spirit of St. Bart’s.

• Mother Mary Lynn and Father Chris will be adding more intentional pastoral focus in the years ahead – and so I have changed their titles to Assistant Rector.

• Join our Campus Redevelopment Team(s) (we launched at annual meeting) and fellow parishioners for the next stage of listening and gathering your hopes for our campus for tomorrow. Listening meetings are scheduled for Wednesday, June 7 at 10:15 a.m. and Sunday, June 11 at 11:45 a.m.

• Can you hear me? We added “The Loop” system to sanctuary! This technology will be a game changer for anyone wearing a hearing aide, with the t-coil technology. Be careful, you may actually hear what the preacher says!

I had the privilege of co-teaching this year’s Communion Recognition Class to seven of our grade-school children. We read stories from the Bible and discussed the many times that Jesus broke bread and shared a meal – sometimes with only a few people and sometimes with thousands of people! We also learned how our worship service is structured. One of the class highlights is their personalized tour of the church and sacristy, where they saw and touched many of the items that are used during our worship services. With co-teacher Megan Oakes’ guidance, the children wrote their own Collect. They also had fun mixing together the ingredients that made the loaves of bread that were used as the Eucharistic bread. At home, together with their families, the children each made a Communion banner. The banner was comprised of four quadrants: 1. your most important family tradition, 2. someone your family looks up to, 3. your family’s hope for the world, and 4. the parents hope for their child. The banners were shared by the children and their parents during a lovely celebration dinner that was held on Friday evening. On Sunday, after receiving Holy Communion with their families, the children joined the clergy on the alter and they served the Communion bread to those gathered in our congregation – just like Jesus.

Vestry Update

At the May 16 Vestry meeting, we discussed Bishop Mathes’ final visit to St. Bart’s on June 18. His schedule includes presiding at services, meeting confirmands, attending a Forum following the 10:35 a.m. service, then meeting with the Vestry.

A special meeting was held May 23 to review proposals and recommendations by both Domusstudios Architects and CCS Fundraising Consultants as part of our investigation of a possible campus redevelopment.

Fr. Mark reported on number of items in his rector’s report, including as part of the Diocesan Convention and in concert with Friends & Family Community Connection (FFCC) for Haiti we will be packaging 50,000 or more meals on November 10. Fr. Chris and Mtr. Mary Lynn will be changing titles from Curate to Assistant Rector and they will be expanding their responsibilities. As part of the ongoing initiative to improve and expand the Sunday School, Karen Becerra and Karen Briggs will embark on hiring a Children’s Minister.

Nathan Costa provided the Vestry with an update on the Music program. It continues to expand by building up leadership within the choir and holding Evensong once a month in addition to Feast Day celebrations. Also, he has begun the formation of the Youth Choir and discerning a music program for Vacation Bible School.

The Treasurer’s report included YTD pledged receipts exceeding forecast by 2.4%. The July Finance Committee meeting will rebalance the budget for the last six months of the year. Repairs from the recent flooding are $24,551, which will be covered in our Repair/Replacement fund.

Items approved by the Vestry included a new loop system in the sanctuary to improve hearing for those of us who use hearing aids. This is a tremendous advantage as the loop system should work seamlessly with hearing aids and filter out extraneous sound. Also, the Vestry approved funds for termite extermination of the Education Building.

The Vestry was proud to be grant scholarships to Kara Miller, Padraig Madden, Jay Dalvie, Megan Oaks, Dillan Howard, Rosaline Kumar, Katherine Covel, and Susy Morales. We wish each of these young people well.

The next Vestry meeting is June 20.

Let's Grow Together

Come and See
Do you ever wonder, how does faith affect my life on Monday morning? Not sure how to talk about the Bible with your preschooler, or your teenager? Do you yearn to grow in faith as a family – not just at church, but at home? Are you a grandparent, yearning to pass on your faith to your grandkids?

This summer, Faith Formation (formerly Christian Formation) is hosting several “Come and See” events, where we will explore those questions together. These events, following the 10:15 service, are designed to be intergenerational – that is, people of all ages will try on different prayer practices. We will go through stations, which invite us to practice talking to God in new ways: on a hike, at the beach, at bedtime, or at the dinner table. After each event, you’ll go home with something that you can incorporate into your daily life. Think of it like a laboratory – there are so many ways to pray and to engage with our faith. Come and see some new, creative ways, and try them on. You just might be surprised!

- **June 25: Outdoor Prayers** – this week our active prayers focus on nature: rocks, bees, bugs and trees!
- **July 16: Prayers for the World** – our theme this week is international. Learn a prayer in a new language, make prayer flags, fold origami peace cranes, and pray for the world.
- **August 13: Praying in Color** – this week we will get messy with our prayers, using finger paints, play dough, watercolor, and more. Together, we’ll explore creative ways to spend time with God.
- **September 10: Blessing Bowls** – this week, each family will create a special centerpiece that will help us share stories at home: around the dinner table, at bedtime, or anytime.

Preschool and Church Family Playdates at Rancho Bernardo Community Park
All are welcome to join St. Bart’s families for a morning of fellowship and fun. Bring a blanket, and come ready to play!

- **June 20, July 5, August 17, September 21 - 9-11 a.m. -** Bring the kids, a blanket, and a snack and join other families with young kids at the playground. All are welcome – bring neighbors, friends, and siblings. Come to make new friends, and rejoice in the summer season! Look for the “Welcome” banner.

Youth CREW Highlights 2016-2017

It’s been an exciting year for St. Bart’s Youth! Where do I even begin? It all started back last fall with our kickoff St. Bart’s Day retreat on August 27-28. Almost 30 youth joined us for an overnight retreat of music, games, fellowship, and service! For many, it was their first chance to meet each other, me, Mother Mary Lynn, and other members of the youth team.

In September, we kicked off our year-long Confirmation process with an awesome group of 10 youth. Over the past year, it has been huge joy to see them grow in their relationship with God, learn to pray, and discern how they are being called to mission here at St. Bart’s and to the wider community. On June 18, they will celebrate a year of preparation while personally and communally being confirmed and recognized as baptized and commissioned children of God. Other fall highlights included the dunk tank and piñatas at the Hispanic festival at St. Philip’s in Lemon Grove, Diocesan Convention at St. Margaret’s in Palm Desert, and a fun-filled day trip to Disneyland!

The spring featured a Youth Collaborative retreat at Camp Stevens in January, youth-led fun(d)raisers of chocolate sales and pancakes on Shrove Tuesday, and the 30-Hour Famine. For me, our Maundy Thursday retreat was a significant highlight. About 20 youth entered into the depth and mystery of Holy Week with Maundy Thursday’s washing-of-the-feet service and Good Friday’s Stations of the Cross. Through it all, the youth continued to gather weekly on Wednesday nights for fun, fellowship, and faith formation, and Sunday mornings. To top it off, we had three CREW baptisms this year, including two of our young adult leaders!

I can’t wait to see what this summer and the 2017-2018 year hold for the youth of St. Bart’s. No doubt, the Holy Spirit will continue to prod, encourage, strengthen, and admonish us. All we have to do is say yes, yes to being Christ, living Christ, and sharing Christ with the world—and Continuously Riding the Eternal Wave. Surf’s up!

Legacy Society Gathers

On April 29, 20 members of St. Bartholomew’s Legacy Society enjoyed lunch at the Country Club of Rancho Bernardo. Our guest of honor was the Rt. Rev. James R. Mathes, our bishop. The group celebrated many things in addition to the Bishop's long service to our diocese.

Our Legacy Society has grown to 48 members over this past year, with the addition of 14 new people. Further, we have 12 to 15 interested parishioners who are considering adding St. Bartholomew’s to their estate plan. We have also developed a “Chapter Eternal” list of ten members. These are the devoted parishioners who have gone before us and named St. Bart’s in their will or trust in our Legacy Society! If you have any questions about this or any Planned Giving issue, please contact Pat Blair, 858-414-2067, or Chris Harris, charris@stbartschurch.org.

We honored the service of Jerry Gillett to the Planned Giving Ministry. Jerry has been a long-time member of the Legacy Society, but also a valuable member of the Ministry itself, writing many articles on Planned Giving and arranging seminars on estate planning for our parish. Jerry and Roz are leaving the area to be closer to family. They will be missed!

We gave one of our newest members, Frances Blair, her blessed icon of St. Bartholomew. We also were able to give an icon to one of our original members, Larry Salvadori. The icons represent membership in the Legacy Society and are a small way of showing the parish’s gratitude for such generosity.

We shared information on an upcoming event in late September, a casual gathering for Legacy Society members and friends in the Parish. More will follow as the date approaches.

Finally, the Bishop spoke to us on several topics. He shared a personal story of a painting, a legacy in his own life. Like many legacies, this painting grew in importance and value over a period of time. He made the important point that one never knows what a legacy will mean in the future, but it may be much more than we can anticipate in the present. Bishop Mathes also spoke briefly about his own future plans and answered a few questions from the group about those plans. We were so blessed to have him with us for this event!

We would like to include any member of the Parish who has named St. Bart’s in their will or trust in our Legacy Society! If you have any questions about this or any Planned Giving issue, please contact Pat Blair, 858-414-2067, or Chris Harris, charris@stbartschurch.org.

Hearing Loop System In Sanctuary

A Hearing Loop System was installed in our Sanctuary. The system covers all seating areas including the Choir and Altar areas. The Loop System is established assistive hearing technology with several advantages over other systems.

- People wearing hearing aids with T-coils do not need any other equipment to clearly hear the sound source without background noise.
- You are free to move around or sit anywhere within the area covered by the hearing loop.
- T-coils do not use any additional power, so do not drain a battery faster than normal.
- Loop Systems are universal. They will work with any hearing aid that has a T-coil installed.

Please read your hearing aid Operations Manual, or call your provider to determine if your Hearing Aid has a T-coil installed. If not, your provider can install one at minimum or no cost.

Most late model Hearing Aids will already have the coil installed as standard.

The system we have installed has a cost of under $8,000. Come on in to experience the Loop System. If the system will be of benefit, and hearing improvement to you, please consider a donation to bless the improvement. Please identify the donation as “LOOP”. If you have any questions, please contact Larry, 858-485-5434 or lasalvadori@yahoo.com.
